

How can Primrose help you?

At Primrose Hospice we are honoured to be able to support patients with life-limiting illnesses and their families, providing them with the care and support they need during difficult times.

Each year we support almost 1,000 people living in North East Worcestershire. All of our services are aimed at helping our patients 'live well' and ensure they have choices regarding their care.

Our services include Day Hospice, Specialist Nurse Clinic, Physiotherapy, Counselling, Complementary Therapies and Wellbeing Service. In addition we offer Psychological, Spiritual, Social and Family Support to include children and young people.

Day Hospice

Offers a warm and friendly environment for our patients and is an opportunity to meet people in a similar situation.

Family Support Service

Provides emotional support to patients, carers and loved ones.

Wellbeing

Our Wellbeing service is designed to help you manage and maintain your quality of life. It is aimed at meeting your individual needs and is therefore tailored to your specific needs and goals.

How can you help Primrose?

Primrose Hospice is an independent charity and relies heavily on support from the local community. We have to raise over **£1.7 million** each year to continue to provide our services to care for our patients and their families.

How can you help?

Donate

Make a donation or set up a regular giving donation. You can also donate unwanted items to one of our charity shops.
